The Lily Pad Retreat

CORNERSTONE
TIMBERFRAMES

The Lily Pad is an excellent plan for those who love to gather at the lake with family and friends. The focus of this design was to maximize views to the outdoors while providing easy communication between the open great room, dining, kitchen and spacious deck. Our clients tell us that they love how the spaces work together and especially enjoy how the kitchen becomes the social center of their cottage.

As shown, the plan has four bedrooms and two full baths. The walk-out basement allows flexible space for more bedrooms, baths, theatre or game rooms. Call us today to find out more details of how this plan can be adapted to suit your location and preferences.
